Corporation ("CVPS") for a Certificate of Public )  
Good, pursuant to 30 V.S.A. § 248, authorizing the )  
construction of a new 46 kV electrical substation, )  
and the reconstruction of an existing substation )  
containing 46 kV/12.47 kV distribution facilities and )  
step-up facilities for hydro generation, located on )  
Maple Street and Smead Road in Salisbury, Vermont )

Entered: 3/3/2011

**CERTIFICATE OF PUBLIC GOOD ISSUED**  
**PURSUANT TO 30 V.S.A. SECTION 248**

IT IS HEREBY CERTIFIED that the Public Service Board ("Board") of the State of Vermont this day found and adjudged that the proposed construction of a new 46 kV electrical substation, and the reconstruction of an existing substation containing 46 kV/12.47 kV distribution facilities and step-up facilities for hydro generation by Central Vermont Public Service Corporation ("CVPS") in Salisbury, Vermont, in accordance with the evidence and plans submitted in this proceeding, will promote the general good of the State, subject to the following conditions:

1. Construction, operation, and maintenance of the proposed project shall be in accordance with the plans and evidence as submitted in these proceedings. Any material deviation from these plans must be approved by the Board.
2. Prior to proceeding with construction, CVPS shall obtain all necessary permits and approvals. Construction, operation, and maintenance of the proposed project shall be in accordance with such permits and approvals, and with all other applicable regulations, including those of the Agency of Natural Resources generally, and Conditional Use Determination #2010-032 specifically.
3. Construction, operation, and maintenance of the proposed project shall be in accordance with the stipulations identified by the Division for Historic Preservation, as set forth in Exhibit CVPS-TOU-9.
4. Construction of the proposed project shall take place during daylight hours, and shall be limited to non-holiday weekdays.

5. Within 30 days of the completion of construction of the proposed project (including installation of all landscaping), CVPS shall arrange a site visit with the Board and all parties to review the effectiveness of the aesthetic mitigation measures, as installed. The Board reserves the right to require CVPS to install additional mitigation measures as a result of this inspection.

6. This Certificate of Public Good shall not be transferred without prior approval of the Board.

DATED at Montpelier, Vermont, this 3rd day of March, 2011.
